Same-sex weddings and commitment ceremonies are on the rise. It's predicted that LGBT weddings will add an expected \$17 billion to the already \$70 billion industry. That makes for an almost 25% increase in wedding related purchases. New York City's economy increased by \$259 Million during the first year after New York legalized gay marriage.

Pride Guide® New Mexico, the first publication to produce a LGBT wedding guide for New Mexico, is proud to announce its first annual Wedding & Honeymoon Expo. Let us help you showcase your business to that eager Groom & Groom or Bride & Bride. Let's help make their special day and honeymoon memories last a lifetime.
